# SAN FRANCISCO'S LEGISLATIVE PROCESS

## LEGISLATIVE ACTIONS

Legislation consists of ordinances (municipal regulations or laws), resolutions (formal expression of intention, opinion, or will), and occasionally formal motions (a proposal for action). Six votes are required to pass ordinances, resolutions and motions unless a greater number is required by State law, Charter provision, Ordinance or Board Rule. The Rules of Order contain an index to votes required on various matters. A majority of those present is required to amend proposed measures and to approve most parliamentary motions.

**Ordinances** are prepared by the City Attorney and approved as to form by the City Attorney. A Supervisor may request a draft of an ordinance by submitting a request on an "Introduction" Form to the Clerk, who then requests the City Attorney to prepare the ordinance. The Supervisor may also make the request directly to the City Attorney (format and sample are found in the Common Folder under Shared Forms and Templates).

**Resolutions** are usually prepared by the office of the sponsoring Supervisor or prepared by staff within a City department (format and sample are found in the Common Folder under Shared Forms and Templates).

**Motions** are usually prepared by the office of the sponsoring Supervisor or prepared by staff within a City department (format and sample are found in the Common Folder under shared forms and templates)

## LEGISLATIVE DIGEST

The Board requests the City Attorney's office to provide, as a routine practice, a brief digest of each proposed ordinance of more than two pages, preferably so that it is available at the time of ordinance introduction. The Board asks that each digest be brief and explain in as simple English as possible the effects of the ordinance on existing law. A cover letter from a department head may summarize the legislation.

## INTRODUCED LEGISLATION

An ordinance or resolution is introduced in writing by a member of the Board by presenting it to the Clerk, pursuant to Board rules, or by presenting it in a Board meeting. When a department head, or a commission established by the Charter, proposes an ordinance or resolution, it is normally brought to the Office of the Clerk of the Board prior to and considered introduced by the Board President at that time. Monday noon, listed at the rear of the Board agenda for the second following Tuesday's agenda.

## SUNSHINE ORDINANCE

The Sunshine Ordinance is a combination open meeting law and public record laws. A copy of the full text is provided to each Supervisor.

### THE LEGISLATIVE PROCESS:

FIRST STEP: **Write** the legislation. Ordinances are normally prepared by the City Attorney at the request of a Supervisor, the Mayor, a department head, or a commission, based on a draft or other written request. The City Attorney must approve an ordinance as to form before its introduction. The City Attorney prepares a Legislative Digest of any ordinance of more than two pages.

Resolutions, if not bond related, are normally prepared by a Supervisor or by a department requesting the action. More complex resolutions are sometimes prepared by the City Attorney based on a draft submitted by a Supervisor or department. Citizens occasionally submit drafts of proposed resolutions to individual Supervisors. Resolutions authorizing grant expenditures must be accompanied by a Grant Information Sheet and by a "Disability Access Checklist," and before submittal be approved by the Mayor and by the Controller's Grants Division. Resolutions concerning interim zoning controls and bonds must first be approved by the City Attorney.

SECOND STEP: Have the legislation **introduced**. Supervisors, the Mayor, and department heads submit ordinances and resolutions to the Clerk for introduction. Supervisors may also introduce requests for committee hearings on a subject matter without having legislation. Upon introduction, the President of the Board refers legislation and subject matter hearing requests to one of the standing committees for public hearing.

THIRD STEP: Have the legislation placed on a **committee agenda**. Committee chairs have jurisdiction on whether and when to calendar matters for hearing. Legislation is advertised to be heard at a committee meeting. Committees may not consider matters that have not been advertised in the official newspaper. There are some items that require special notices prior to the hearing. Check with the Committee Clerk.

FOURTH STEP: Obtain a **recommendation** from the committee. The public is invited to attend and to speak on any matter before the committee. In order to be sent to the full Board, legislation needs the votes of two of the three members of a committee, as introduced or as amended by the committee. A committee may send legislation to the full Board "without recommendation" or with recommendation of "do not pass." Other

common committee actions are to "continue for one month," "continue to the call of the chair," or "table." If a committee has not acted on an ordinance or resolution within 30 days after its referral to committee, any member of the Board may cause the matter to be "called from committee" and considered by the full Board at the next meeting (refer to the Rules of Order). The Board, by a two-thirds vote, may waive the 30-Day Rule (refer to Rules of Order regarding committee hearing on major policy Issues deferred for 30 Days).

**FIFTH STEP:** Obtain the majority **vote** (six members) of the Board. For ordinances, this must be done at two separate meetings. On some matters, such as overruling the Planning Commission, eight votes are required. A few urgent or very routine resolutions are adopted on the day they are introduced, without being referred to committee. Such matters require a unanimous vote of the Supervisors present.

**SIXTH STEP:** Obtain the **approval** of the Mayor. Legislation is sent to the Mayor no later than the day after approval by the Board. The Mayor then has 10 calendar days to approve or veto legislation. If the Mayor approves an ordinance, it normally goes into effect 30 days after that approval. If the Mayor approves a resolution it goes into effect immediately. If the Mayor vetoes legislation, it becomes effective only if eight members of the Board vote within 30 days to override the veto. If the Mayor neither approves nor vetoes, the legislation is deemed approved.

#### ELECTRONIC COPY OF PROPOSED LEGISLATION

An electronic copy of the proposed resolution, ordinance, or motion **must be transmitted to the Clerk of the Board "via email to BOS Legislation" by 12:00 noon on Monday, if being submitted by a department, or on the Board meeting day at which an item is being introduced by a Supervisor or the Mayor. (BOS Legislation)**

#### 30-DAY RULE

For major policy matters, the Board has a rule, which provides that legislation, which will create, or significantly change City policy may not be heard by the committee until 30 days after its introduction. Under the rule, the Clerk, subject to reversal by the Board President, determines whether the legislation meets the standard of the rule.

#### EFFECTIVE DATE OF ORDINANCES

Most ordinances become effective on the 31st day after approval by the Mayor, to allow a 30-day period for voters to sign a referendum petition.

#### EFFECTIVE DATE OF RESOLUTIONS

Most resolutions become effective upon signature by the Mayor.

All legislation submitted to the Clerk of the Board must be accompanied by a cover letter requesting passage, stating reasons, time factors, and the name and telephone number of a contact person.

## **REQUESTING SUPERVISOR TO INTRODUCE LEGISLATION DURING A BOARD MEETING BY A DEPARTMENT**

On occasion a department may request that a member of the Board of Supervisors to sponsor and introduce legislation at an upcoming Board meeting.

The following procedures are established to ensure that the Clerk of the Board's office receives the electronic version of a matter to be sponsored and introduced by a Supervisor (at the request of Department) during Roll Call For Introductions at a Board Meeting.

The department staff shall:

- Provide the sponsoring Supervisor the required original legislation and four copies, with supporting documents to be introduced by the Supervisor during Roll Call at the Board meeting.
- Provide the sponsoring Supervisor with the electronic version which will be transmitted to the Clerk's staff on the meeting date.

## Changes to the Legislation

If the Department discovers an error in the legislation, the following policies are established regarding submitting a corrected version to the Clerk of the Board.

Because the electronic copy cannot be modified once it is attached as part of the official Board file, any change to the legislation requires (1) a new version be prepared as a separate document; (2) the revised legislation with cover letter be submitted for processing; (3) the revised electronic copy be provided; (4) the official file record is updated and another version is attached.

The following policies are established.

Policy            The Clerk of the Board's staff will not process any file if the exhibits or attachments mentioned in the body of the legislation are missing. The documents will be returned to the department to resubmit with its exhibits and attachments.

Policy:            The electronic documents received will be processed "as is" by the Clerk of the Board's staff.

Policy:            Changes, whether clerical or not, can only be done as follows:

- By submitting a substitute legislation to the Board of Supervisors to be processed all over again (electronic copy by 9:00 a.m. and paper copy by noon Monday) and the official file will be updated with a new version attached.
- Amended at a Committee meeting.
- Amended at a Board meeting.

Policy:            Adding Sponsor names to the electronic copy of the legislation can only be done at the following stages:

- During a Board or Committee meeting.
- When first introduced by a Supervisor.
- When the legislation is amended.
- When a Supervisor makes the request in writing.

You must check the Legistar legislative file record history for a complete list of sponsors as the electronic copy of the legislation attachment may not list all of the names.
